## USA Scholarship Showcase 2025 in Partnership with TACTEQ FOOTBALL

**Venue:** Danville, Kentucky

**Country:** United States of America

**Proposed Dates:** 3<sup>rd</sup> – 15<sup>th</sup> July 2025 (Final Dates TBC)

The Complete Footballer and TacTeq Football offers participants the unique opportunity to experience the life of a USA College student athlete. Sleeping in the College dormitory, eating in the cafeteria and using the campus facilities, all help the participants to understand the reality of campus life, and the professionalism of College Sport in the USA. Daily training sessions, evening matches and road trips form part of the experience, to show the pressures and time constraints placed on student athletes.

Organized talks with admissions officers, student councillors and academic advisors give the participants an overview of high school academic requirements, eligibility information and the correct enrolment processes, as well as other relevant topics to be discussed.

Student athletes joining the showcase tour will be given the chance to not only show their football/ soccer ability but their personality, attitude, and personal character too. Players will interact with college staff, coaches and admissions councillors to gain information about certain programs and enrolment processes.

Players will also engage with and compete against other high school students from different high school teams, as well as play against more competitive players from professional academies to better understand the overall level of a college soccer player. The participants will also enjoy some sightseeing and cultural/ sporting activities to experience the American lifestyle and culture, this giving them a well-rounded overview and better understanding of life as a student athlete and the competitive nature of college sports in America.

### Showcase Includes:

- Airport transfers
- All ground transportation while in the USA
- 12 x nights On-campus accommodation
- 3 x Meals per day
